Supply Chain Management

Every organization faces supply chain management challenges. Managing costs, sourcing cost effective transportation, and configuring an optimal Supply Chain model for your business are all major issues.

What if all you had to worry about were meeting production targets?

As your End-to-End (E2E) Total Supply Chain Management, ALLogistx can help manage:

- » Import & Export solutions
- » International Shipping
- » Freight Forwarding
- » Air Freight
- » Ocean Freight
- » Heavy Equipment Moving
- » Customs Brokerage
- » Transportation
- » Consolidation
- » X-Dock Consolidation
- » Distribution
- » International Shipping
- » Warehousing
- » Door-to-Door Delivery

In collaboration with major partners across the globe, ALLogistx can provide all your Supply Chain needs. We are a one-stop Supply Chain Management company.

Our Mission

“ALLogistx... we will provide unparalleled trust in relationships by consistently delivering results through commitment to excellence, passion, innovation and customer centricity.”

ALLOGISTX INTERNATIONAL IS A GLOBAL SUPPLY CHAIN COMPANY!

Supply Chain

Some of the things we do:

- » Supply Chain Management E2E
- » Project Management
- » Network Design and Modeling
- » 3PL Distribution & Consolidation
- » Warehousing & Packaging
- » E2E Integrated SC Consulting
- » Service Level Analysis
- » KPI Development and Monitoring
- » Global Quality Management
- » Dynamic Web-Based Solutions
- » Deconsolidation & Consolidation

- » 3PL Transportation Solutions
- » Process Improvements

What can we do for you?

Supply Chain Management is our business. Our primary focus is to evaluate, analyze, recommend and implement a realistic and optimal supply chain solution.

- » Fully understand the needs and requirements of all our customers
- » Always strive to exceed our customers' expectations
- » Continuous efforts in process improvements
- » Provide a safe and supportive working environment.

Continuous Improvements

We provide continuous improvements through optimization, in depth analysis, benchmarking, method analysis and system enhancements. Our three steps approach is simple and effective:

- » Scope analysis
- » Re-design
- » Implementation

Quality Service you can expect

We always strive not only to meet your service requirements... but to exceed them through actions.

Who are we?

We are a FMC licensed Freight Forwarder and NVOCC. We are a leading key supply chain service provider. Our team consists of highly skilled and experienced professionals who have been in the logistics business for decades. Our innovative thinking, logistics experience and proven track record has ensured our customer satisfaction.

Why ALLogistx?

In collaboration with major partners in USA, ALLogistx can provide a complete end to end solution including but not limited to; shipment consolidation, warehouse storage, packaging, pick-pack, item level replenishment, break-bulk, and flow-through.

Import and Export Solutions

Air Freight Solutions:

- » Providing the latest in processing and tracking technology
- » Developing strong relationships with top Air carriers
- » Tailored web-based tracking technology

With gateways across the US, ALLogistx can provide tailored services to meet any air forwarding need.

Ocean Freight Solutions:

Privately-owned global freight forwarder and NVOCC Ocean Transportation Intermediary (OTI) headquartered in Pasadena, Ca. ALLogistx International, Inc offers flexible ocean service solutions including:

- » Less-than-container load (LCL) consolidations
- » Full-container load (FCL) shipments
- » Break bulk cargo
- » Special Project Cargo

Our commitment to work in collaboration with other NVOCCS and VOCC (Vessel Owners) enables ALLogistx to secure competitive pricing for our clients. We offer flexible options designed to accommodate supply chain cycle needs. We have access to all major ports-of-call throughout our global consolidation network.

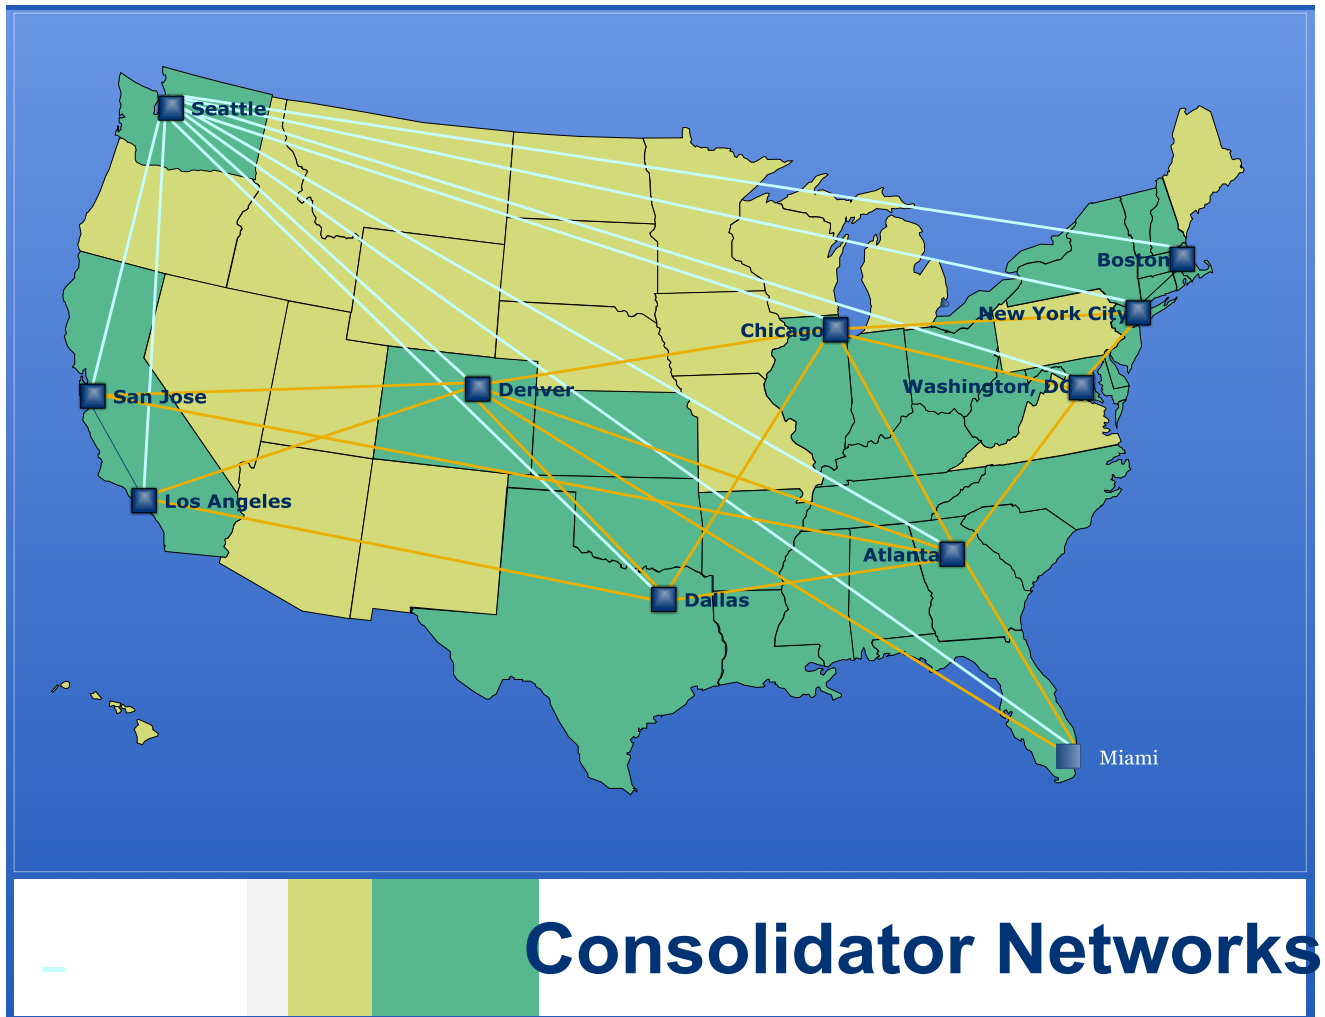

Customs Brokerage Network:

- » Understand import regulations and processes
- » Submitting accurate data to Customs
- » Striving for Shipment Customs release prior to shipment arrival to ensure efficiency

At ALLogistx, our powerful partnership of forwarding and brokerage agents eliminates costly and unnecessary delays.
